**Web Developer | WordPress Developer**  
**Marqetrix Web Solutions, Mumbai.**

Jun 2020 - May 2021

I was here as a web designer and WordPress developer. I used to get this new task every day and I used to solve it. I used to create this fresh new design and layout it with the help of HTML, CSS and JavaScript. A brand new website, with the help of customized pages, themes, and plugins.

And I had a lot of responsibility, like

- Maintenance of all websites.
- All website hosting and maintenance.
- All domain hosting email maintenance.
- Fixed all website bugs, etc.

**Web Developer | WordPress Developer**  
**Beyondt- Digital Marketing Agency, Mumbai.**

Jul 2018 - Jun 2020

I was here as a web designer and WordPress developer. What kind of website the customer wants, I take all the information related to it, then what kind of business I want to do on the website (like e-commerce web website, single landing page, etc.). Then that kind of design is made then end web site developed then theme and plugin research and implementation the way the client wants the website.

And I had a lot of responsibility, like

- Maintaining all websites.
- All website hosting and maintenance.
- All domain hosting email maintenance.
- Fixed all website bugs, etc.

**MIS Executive Manager**  
**Grofers India Pvt Ltd , Mumbai.**

Aug 2017 - Sep 2018

I was here in the MIS Executive Manager Position. On this, I used to do all the checking every day on how many orders came and how many orders went. Which delivery boy is the on which route? How much the order was received by the customer, how much was not received, what was missing, and how much was the damaged product status. To maintain the live sheet and email end of the slot updated. And a lot of responsibility was on me.
